

CHANGELOG · UPDATED MONTHLY

What's changed on the Atomenos site.

A running log of what changed on this website and why.

July 2026

Capabilities page and journey pages added. Home and About separated so each page has one job.

June 2026

Site repositioned around systems and operational problems, moving away from the earlier parent-company framing.

May 2026

Initial version of the Atomenos site launched.
